This job aid provides instructions for adding and updating Employee Federal (Form W4) and State (Form DE 4) Withholdings on the Employee Self-Service (ESS) page, <https://ess.erp.sdcoe.net>. The ESS pages for Federal and State are replicates of the forms themselves. You will be able to view the actual W4 and DE 4 forms on each page.

Disclaimer about the Federal Tax Withholding Form:

DISCLAIMER: Please note that, when you update your W-4 information and save your changes, the changes you make will supersede any settings you previously had in place. Settings you had in place previously will NOT be carried over into changes you make on this form, so it is critical that you complete the form by including ALL deductions and necessary changes.

Please also note that the changes you make will take effect on the day that you make them. Because of this, please be aware of the dates on which payroll runs. If you need for changes to take effect as of a certain payroll, please contact your Payroll Department to find out the W-4 deadline for the current month.

I agree to hold harmless and indemnify the School District(s), Charter School(s) and SDCOE and their officers, employees and agents from any claim or demand of whatever nature, including those based upon negligence of the District, School or SDCOE and their officers, employees and agents for failure or delay in making changes requested on the W-4.

This authorization replaces any previous agreements made by me and will remain in effect until changed or cancelled by submission of a new W-4 form to the District, School or SDCOE office in which I am currently employed. All District, School and SDCOE assignments, both current and future will automatically be linked to the most recent W-4 form received by my current employer(s).
