

Resetting a Forgotten or Expired Password

You may follow these directions to reset a forgotten or expired password if you have previously set up "I Forgot My Password" (p.18). If you did not set this up, please contact your district's PeopleSoft Security Administrator and ask them to reset your password. Be sure to enroll in "I Forgot My Password" for future use!

Directions:

1. Go to <https://ess.erp.sdcoe.net>. This is the URL for PeopleSoft Employee Self-Service (ESS).
2. Click **Forgot My Password**.

3. Enter your six-digit User ID (no hyphen). Click **Continue**.

4. Type the answer to your security question (not case sensitive). Click **Email New Password**.

Please answer the following question below for user validation.

Question: What street did you grow up on?

Response:

5. The screen will say, "Your password has been emailed." You can now close this window/tab.

Password Emailed

 Your password has been emailed.

6. Check your email account associated with your PeopleSoft user. Open the message titled *Temporary PeopleSoft Password*. It will contain a temporary password.
